TO: Pasco RACES ARES Skywarn VOLUNTEERS

FROM: N3OS

DATE: Fri Feb 8 12:58:26 EST 2019

Reminder: March 24th is the date for this year's Gran Fondo and help is needed as there are three courses with the lengthiest being 100 miles. To date we don't have enough volunteers to have at least two operators at each aid/rest stop, timed sections, SAGs, and tail-gunners (3) so if you can please help us.

This year, if you wish, we will use APRS to provide the organizer and Sheriff Deputies with real-time location info. Gil Chapin will coordinate this and assist anyone needing help in getting APRS working whether it be radio or smartphone. Just let us know that you need assistance with this.

As always, your name, call, shirt size, cell number, and email address are needed when signing up to help. Google Gran Fondo and you will find maps showing the courses & aid stations. If you have a preference please let me know what you'd like to do.

Thank you all,

Gary N3OS, Pasco Co. RACES Radio Officer

PS. A T-shirt & a meal are available after the race if you care to come to San Antonio. We hope to be in a trailer in the parking lot next to "The Local."

More details, including assignments, will be provided in March.
